- 5.1 The Client agrees that CGS-CIMB shall act as the Client's execution agent in effecting Investments and CGS-CIMB shall (subject to any contrary Market Requirements) be entitled, in its sole and absolute discretion, to execute the Client's orders in accordance with market practice. Notwithstanding anything in these Terms of Business, CGS-CIMB shall be under no obligation to give effect to any of the Client's orders or instructions and is entitled at its sole and absolute discretion to refuse to carry out such orders or instructions without providing a reason for such refusal, and in the event that CGS-CIMB decides to give effect to any such order or instruction, CGS-CIMB reserves the right to thereafter unilaterally withdraw such order or instruction prior to it being executed without providing any reason therefor.
- 5.2 CGS-CIMB shall be entitled, without prior reference to the Client and for any reason whatsoever, to combine the Client's order with other orders, whether such other orders belong to other clients of CGS-CIMB or to a member of the CGS- Group or their clients. The Client agrees that in the event that CGS-CIMB aggregates the Client's order with orders of other clients, the allocation of the Investments may be done within such time as considered reasonable having regard to market practice after the order has been filled.

- 5.3 In the event that in the carrying out the Client's instructions, whether following aggregation under Clause 5.2 or otherwise, there is an insufficient amount of the relevant Investments to satisfy the transactions of all clients of the CGS-CIMB Group, the Investments will be allocated amongst such clients of the CGS-CIMB Group as CGS-CIMB may determine in its sole and absolute discretion having due regard to market practice and Clause 5.4 shall apply to such allocation.
- 5.4 The Client agrees and acknowledges that, notwithstanding Clauses 5.2 and 5.3, if CGS-CIMB or any of its appointed agents, in carrying out any of the Client's instructions, shall not be able to enter into or effect such number of transactions in the relevant Investments on the Client's behalf as may have been specified in the Client's instruction, CGS-CIMB, or any of its appointed agents, shall be entitled to, in its sole and absolute discretion, enter into such fewer transactions in the relevant Investments as specified in the Client's instruction and the Client shall be bound by such fewer transactions as may be entered into. The Client further agrees that CGS-CIMB and/or its appointed agents shall not have any obligation or liability whatsoever and howsoever in respect of any transactions in Investments specified in such instruction which have not been, or were not, entered into.
- 5.5 The Client agrees that CGS-CIMB shall not be under any duty to disclose to the Client any fact or thing which may come to its knowledge in the course of its acting in any capacity for any other person and, subject to applicable laws and regulations, CGS-CIMB shall have no obligation to provide the Client with information with respect to any of the Client's positions or Investments.
- 5.6 The Client agrees that the Client shall be liable for all losses in respect of, arising from or in relation to the Client's Accounts, whether or not such Accounts are liquidated, including, without limitation, any debts and deficiencies arising from such Accounts.
- 5.7 The Client agrees to provide to CGS-CIMB, on demand, such funds to enable CGS-CIMB to discharge any liability incurred or to be incurred in connection with any transactions effected or to be effected on the Client's behalf pursuant to these Terms of Business.
- 5.8 The Client acknowledges that by reason of physical restraints and rapid changes of market prices, CGS-CIMB may not always be able to execute the Client's orders in full or at prices designated by the Client and agrees to be bound by such orders as may be executed by CGS-CIMB in accordance with any Market Requirements.
- 5.9 The Client agrees and acknowledges that in respect of any transaction entered into by the Client in connection with the Client's Accounts and under which CGS-CIMB has agreed on arrangements whereby settlement may be made in a currency other than the Contractual Currency, the settlement in such other currency shall be calculated by reference to a rate of exchange as determined by CGS-CIMB in its sole and absolute discretion on the basis of the then prevailing market rates of exchange between such other currency and the Contractual Currency. The Client agrees to bear all costs, expenses and losses incurred by CGS-CIMB in the event that the Client ceases such foreign exchange arrangements, whether such foreign exchange arrangements cease at the Client's request or due to the underlying transaction entered into by the Client not being valid. For the avoidance of doubt, any losses or liabilities incurred by CGS-CIMB as a result of fluctuations in currency exchange rates shall be borne entirely by the Client and the Client agrees to indemnify CGS-CIMB against all costs, fees, charges and expenses that may be incurred by CGS-CIMB in respect of such fluctuation.
- 5.10 The Client agrees and acknowledges that the Client may be required to limit the number of open positions that the Client may have with CGS-CIMB at any time and that CGS-CIMB may in its sole and absolute discretion close out any one or more positions in order to ensure that such position limits are maintained.

Unless otherwise agreed, the Client shall be required to provide the initial payment in respect of the Margin upfront and, thereafter, to provide such further payments in respect of the Margin to ensure a proper discharge of the Client's liabilities in respect of Futures/Options Contracts (whether actual or contingent). The Client agrees that CGS-CIMB may refuse to execute the Client's instructions unless the Client pays such amount as CGS-CIMB may require in respect of the Margin.

The Client shall fully indemnify and hold harmless the CGS-CIMB Group, and keep the CGS-CIMB Group indemnified, from and against and in respect of all liabilities, losses, damages, claims, demands, charges, costs and expenses (including, without limitation, legal fees and costs on a full indemnity basis) which may be sustained or incurred by CGS-CIMB from or in connection with the failure by the Client to meet any Margin call.

- 4.10 The Client agrees to pay immediately in full and on demand any amount that may be owing in respect of any of the Client's Accounts. If, upon the closing out or exercise or deemed exercise of any Futures/Options Contract, any amount is due and payable (whether by the Client or by CGS-CIMB) to the Exchange and/or the Clearing House and/or other regulatory body and/or broker, the Client shall immediately upon demand pay such amount to CGS-CIMB.

- 4.11 The Client agrees and acknowledges that the Client shall bear all risks and obligations associated with any Futures/Options Contracts purchased or sold for the Client's account. CGS-CIMB shall not have any obligation or liability whatsoever in respect of any Futures/Options Contracts purchased or sold for the Client's account other than to account to the Client for the value of any such Futures/Options Contracts that may actually be realised by CGS-CIMB .
- 4.12 For the avoidance of doubt, any event which in CGS-CIMB 's opinion, may jeopardise its Margin requirements shall be regarded as an Event of Default under the Terms of Business which shall entitle CGS-CIMB to exercise its rights thereunder including, without limitation, those specified in Clause 9 of the Terms of Business with respect to the closing out of the Futures/Options Contracts and the use of Margin held in respect thereof. The Client acknowledges and confirms that the receipt or use of Margin by CGS-CIMB shall not operate as a waiver or discharge of CGS-CIMB 's rights under, or liens created by, the Terms of Business or otherwise by operation of law.

5. Market Requirements

- 5.1 The Client shall comply at all times with the Market Requirements and the applicable rules and regulations of the SGX-DT, the SGX-DC and every other Market in which CGS-CIMB conducts transactions for and on behalf of the Client. The Client acknowledges that there may be differences in the level and type of protection as compared to those offered by the Market Requirements in the jurisdiction where the Client resides.
- 5.2 The Client agrees that the Market Requirements of an Exchange may permit the Exchange to, amongst other things, take steps to limit the positions or require the closing out of any of the Client's Futures/Options Contracts which, in the opinion of the Exchange, are accumulating positions in a Market which are or may be detrimental to any particular Market or Markets or which are or may be capable of adversely affecting the fair and orderly operation of any Market or Markets as the case may be.
- 5.3 The Client acknowledges that transactions related to Futures/Options Contracts conducted through an Exchange shall be subject to the Market Requirements of such Exchange that may contain provisions requiring CGS-CIMB in certain circumstances to disclose the Client's name and the name of:
- (a) the ultimate beneficiary of the Client's Accounts; and
 - (b) the ultimate beneficial owners of the Client's share capital (where the Client is a corporation).
- 5.4 The Client shall provide such information as CGS-CIMB requires in order for CGS-CIMB to comply with the disclosure requirements set out in the Market Requirements of any relevant Exchange including, without limitation, the SGX-DT and the SGX-DC, and the Client acknowledges and agrees that in the event CGS-CIMB fails to comply with such disclosure requirements, the Chief Executive (or other relevant officer) of the relevant Exchange(s) may require the closing out of the Client's position on the Client's behalf or the imposition of a margin surcharge on the Client's positions.
- 5.5 The Client agrees that CGS-CIMB shall be entitled at any time and from time to time to:
- (a) do all such acts and things, including, without limitation, the provision of information to the relevant authorities and regulators, in order to comply with obligations that may be imposed on CGS-CIMB by any applicable laws, Market Requirements and/or legal processes; and

The Client further agrees and acknowledges that CGS-CIMB is not responsible for, and not liable to the Client for, any loss or liability that the Client may suffer by reason of or arising out of or in connection with any non-compliance with such laws, Market Requirements and applicable legal process.

- 6.2 Without prejudice to the Market Requirements of the relevant Exchange, the Client hereby authorises CGS-CIMB to withdraw and utilise from the segregated bank account or segregated debt securities account referred to in Clause 6.1:

 - (d) monies or approved debt securities paid to the Client in accordance with the Client's directions, but in such case, notwithstanding such directions, no monies may be paid into any of the Client's other Accounts unless such Account is a segregated Bank Account or segregated Debt Securities Account (as the case may be) for the purposes of the Terms of Business;
 - (e) monies representing interest earned in respect of such Account; and
 - (f) monies or approved debt securities that may be required to meet CGS-CIMB 's obligations to any party insofar as such obligations arise in connection with or are incidental to any transactions entered into by CGS-CIMB on the Client's behalf pursuant to the Terms of Business.
- 6.3 The Client acknowledges and agrees that any accounts maintained by CGS-CIMB with any Clearing House, whether maintained wholly or partly in respect of transactions entered into by CGS-CIMB pursuant to the Terms of Business and whether any money, approved debt securities or other property received by CGS-CIMB from the Client or from any other person for the Client's account has been paid to such Clearing House, is maintained by CGS-CIMB as principal and that accordingly, no trust or other equitable interest shall be imposed on such account and any monies or approved debt securities paid to such Clearing House shall be free from the trust referred to in Clause 6.1.
- 6.4 All Margin, and any such other amounts as CGS-CIMB may determine from time to time to be payable by the Client in respect of any transactions entered into by CGS-CIMB on behalf of the Client pursuant to the Terms of Business, shall be maintained in the Client's Accounts.
- 6.5 Without prejudice to the foregoing, the Client acknowledges and agrees that, where CGS-CIMB holds monies or assets on the Client's behalf, CGS-CIMB may, in its sole and absolute discretion, deposit or transfer such monies or assets to banks or other financial institutions outside Singapore to hold as custodians. In particular, such deposit or transfer to banks or other financial institutions outside Singapore may be necessary in the event that the Client wishes to transact on or deal with Futures/Options Contracts in exchanges or markets outside Singapore. The Client further acknowledges that applicable foreign laws may govern the Client's rights to monies or assets which are held in the custody of such banks or other financial institutions and such applicable foreign laws may not provide for the same degree of investor protection as Singapore law.

7. Exchange Rate Fluctuations

- 7.1 The Client agrees that any exchange rate losses and costs of conversion from any transaction entered into pursuant to the Terms of Business and effected in a foreign currency shall be borne by the Client.
- 7.2 The currency conversion rate for any payment, combination, set-off, application, transfer or otherwise pursuant to the Terms of Business that CGS-CIMB is required to convert from one currency to another currency (the "Reference Currency") shall be calculated at a rate of exchange determined by CGS-CIMB , at its sole and absolute discretion, on the basis of the then prevailing market rates of exchange between such currencies. The Client shall pay CGS-CIMB all additional amounts as may be necessary to ensure that CGS-CIMB receives the full amount in the Reference Currency as if no such conversion had been required or effected.

8. Futures/Options Contracts

- 8.1 The Client acknowledges and agrees that CGS-CIMB shall not be obliged to notify or remind the Client of the exercise date of the Client's open Futures/Options Contracts and, in the absence of specific written instructions, the Client's "in-the-money" Futures/Options Contract may be left to expire without exercise. The Client further acknowledges and agrees that certain Exchanges and Clearing Houses will automatically exercise some "in-the-money" Futures/Options Contracts unless instructed otherwise. The Client shall not have any claims whatsoever against CGS-CIMB as a result of or in connection with the failure to exercise the Client's Futures/Options Contracts.
- 8.2 The Client acknowledges and agrees that all short positions in relation to Futures/Options Contracts are subject to assignment at any time, including, without limitation, short positions that are established on the same day that they are assigned. The Client

further acknowledges and agrees that CGS-CIMB shall have the right to allocate assignment notices among all its clients' short positions in any manner which CGS-CIMB may, in its sole and absolute discretion, deem appropriate and that such allocation method may change at any time without prior notice to the Client.

- 8.3 The Client shall communicate all trade adjustments, whether in the form of separation, open/close, give up/take up or any other form, to CGS-CIMB as soon as possible and in any event not later than 4:30 pm on each trade day (or such other time as CGS-CIMB may accommodate in its sole and absolute discretion). The Client agrees and acknowledges that CGS-CIMB would not be able to process the Client's request beyond this time limit and further agrees that CGS-CIMB shall not have any liability whatsoever to the Client for such failure in processing. For the avoidance of doubt, any and all charges and expenses incurred in relation to trade adjustments shall be borne solely by the Client.
- 8.4 The Client acknowledges and agrees that the premium in respect of the Futures/Options Contracts shall, unless otherwise agreed to in writing by CGS-CIMB in its sole and absolute discretion, be payable in cash.
- 8.5 In relation to any applicable Futures/Options Contract, the Client acknowledges and agrees to be bound by any changes in the capital structure or composition of the underlying issuer or, where the relevant Clearing House considers necessary or desirable to ensure fair treatment to all parties to such contracts, any adjustments to the terms and conditions of that class. Subject to any applicable Market Requirements, whenever any new transaction is entered into to close out any existing Futures/Options Contracts, then the obligations of CGS-CIMB and the Client under such existing Futures/Options Contracts shall, save for any settlement payments that may be due in respect of such existing Futures/Options Contracts, be automatically terminated immediately upon the entering into of such new transaction.
- 8.6 The Client acknowledges that CGS-CIMB may send the Client a computer generated statement or confirmation certifying details including, without limitation, the price or value at which any Futures/Options Contract was entered into or closed out, the exchange rate applicable to any currency conversion and the Client's indebtedness, and the Client agrees that any such statement shall be binding on the Client as to the particulars stated unless CGS-CIMB receives (i) a verbal notice to the contrary within 24 hours of the deemed delivery of such statement or confirmation; and (ii) if such verbal notification is followed by a written confirmation from the Client to CGS-CIMB within five (5) Business Days of such verbal notification. Accounts shall be due for settlement by the Client on the date shown on such statement or confirmation.
- 8.7 The Client agrees and acknowledges that he shall, save for cash-settled contracts, be obliged to make or take delivery (as the case may be) of the subject matter on the maturity date of any open Futures/Options Contract and further agrees and undertakes to CGS-CIMB that the Client shall take all necessary actions to enable CGS-CIMB to effect due settlement of such open Futures/Options Contracts on the Client's behalf. The Client shall be responsible for ensuring that the amount due in cash to CGS-CIMB is paid and that (in the case of any Futures/Options Contract requiring non-cash settlement) the subject matter of such Futures/Options Contract and any necessary documents are delivered to CGS-CIMB in good order by the maturity date of such Futures/Options Contract. Upon the payment and/or delivery by the Client (as the case may be), CGS-CIMB shall thereafter make payment or delivery (as the case may be) on behalf of the Client on the maturity date.
- 8.8 Any failure by the Client to provide such payment in cash or to deliver such assets that are the subject matter of the Futures/Options Contract that is payable or deliverable by the Client shall (without limiting any other rights which CGS-CIMB may have under the Terms of Business) entitle CGS-CIMB, without further notice or demand, to forthwith pay or deliver the same on behalf of the Client and, at CGS-CIMB's sole and absolute discretion, to borrow or buy the same for the purposes of such delivery on such terms and conditions as CGS-CIMB shall consider fit and to charge the Client for any costs, charges, premiums, losses and expenses which CGS-CIMB may pay, be required to pay or incur pursuant to the making of such payment, delivery or borrowing. For the avoidance of doubt, the Client shall be liable for any deficit resulting from any losses and any costs or expenses (including, without limitation, legal costs) incurred by CGS-CIMB, on a full indemnity basis, in relation to any action taken or the exercise of CGS-CIMB's rights hereunder.
- 8.9 In the event that CGS-CIMB takes delivery of any asset or property for the Client's account, the Client shall indemnify and hold CGS-CIMB harmless against and from any loss, liabilities, damages, claims, costs and expenses (including, without limitation, legal fees and costs on a full indemnity basis) that CGS-CIMB may suffer, incur or sustain directly or indirectly from or by reason of or in relation to a decline in the value of such asset or property and shall pay and reimburse CGS-CIMB for all other costs and expenses in relation to the delivery and storage of such asset and property.
- 8.10 The Client agrees and acknowledges that in order to exercise the Client's right under a Futures/Options Contract, the Client must deliver to CGS-CIMB a notice of exercise, in such form as may be determined by CGS-CIMB in its sole and absolute discretion, accompanied by the underlying document of title, the necessary funding and any other document or thing that CGS-CIMB may, in its sole and absolute discretion, require, at least 48 hours before the relevant cut-off date or such other time as CGS-CIMB may, in its sole and absolute discretion, accommodate. CGS-CIMB shall not be required to tender any exercise instructions for the Client unless CGS-CIMB is specifically instructed to do so in writing.
- 8.11 The Client agrees that, in the event that the Client holds any short position under a Futures/Options Contract and such Futures/Options Contract is exercised (or is deemed to be exercised on expiry or otherwise), the Client shall immediately pay to CGS-CIMB the necessary settlement amount in cash or make/take delivery (as the case may be) of the subject matter of such Futures/Options Contract.

- 8.12 Where any transaction is effected by CGS-CIMB as the Client's agent, the delivery or payment (as the case may be) of the subject matter of the Futures/Options Contract by the counterparty to such transaction shall be solely at the risk of the Client and the obligations of CGS-CIMB to deliver the appropriate cash or assets (as the case may be) to the Client or to the account of the Client shall be conditional upon the receipt by CGS-CIMB of payment or other appropriate cash or assets (as the case may be) from the counterparty or counterparties to such transaction and shall be limited to the delivery of what CGS-CIMB actually receives from such other counterparty or counterparties.
- 8.13 Notwithstanding any of the foregoing provisions, CGS-CIMB reserves the right, in its sole and absolute discretion, to reject any instruction from the Client to make or to take delivery of any asset or property.
- 8.14 CGS-CIMB may (but shall not be obliged to), upon the request of the Client, provide the Client with the contractual specifications and information on Margin and liquidation of the products in relation to any Futures/Options Contracts.
- 8.15 The Client agrees and acknowledges that, subject to any applicable Market Requirements, CGS-CIMB may take the opposite position to any of the Client's orders in relation to any Futures/Options Contracts, whether such position be taken on CGS-CIMB's own account, for the account of CGS-CIMB's Affiliates or on behalf of any other clients of CGS-CIMB, provided that such trade is executed competitively on or through the facilities of the relevant exchange(s) in accordance with their rules and regulations.
- 8.16 (a) The Client shall bear and be solely responsible for all charges and levies imposed by any Exchange or pursuant to any Market Requirements (including, without limitation, any levy for compensation funds) in relation to the execution of a Futures/Options Contract on the floor of, or through, any Exchange.
- (b) In the event that the Client suffers a loss by reason of CGS-CIMB's default in the execution of a Futures/Options Contract, the liability of any applicable compensation fund shall be restricted to valid claims as provided for in the applicable rules and regulations regulating that compensation fund and shall be subject to the monetary limits specified thereunder. Accordingly, the Client understands that there can be no assurance that any pecuniary loss sustained by reason of CGS-CIMB's default will necessarily be recouped from any applicable compensation fund in full, in part or at all.
- 8.17 The Client shall bear the cost of any special levy that may be imposed on the execution of any Futures/Options Contract.
- 8.18 The Client agrees and acknowledges that a Clearing House shall be entitled to do all things necessary to transfer any open positions in relation to any Futures/Options Contract held by CGS-CIMB on behalf of the Client and any monies or security standing to the credit of the Client's account with CGS-CIMB to another member of the relevant Exchange in the event that CGS-CIMB's membership in that Exchange thereof shall have been suspended or revoked.
- 8.19 The Client understands that the Terms of Business set out the circumstances in which the Client's positions may be closed out without the Client's consent. CGS-CIMB shall, upon written request by the Client, provide to the Client a full explanation of Margin procedures to the extent that the Terms of Business do not do so.

9. Information on Derivative Products

- 9.1 CGS-CIMB may (but shall not be obliged to), upon the Client's request, provide the Client with information on derivative products (including futures contracts or options), their product specifications, prospectuses, offering documents, or information on their margin and liquidation.
- 9.2 CGS-CIMB may, upon the Client's request, assist the Client in obtaining information, guidance and training in relation to prohibited trading practices under the Futures Trading Rules, the SFA and other applicable Market Requirements.

10. Disclosure Statement

In addition, unless the context otherwise requires, the following words or expressions shall mean the following:

“**Extraordinary Event**” means any event which CGS-CIMB in good faith believes to have a material adverse effect on any Leveraged FX Contract and shall include without limitation any form of exchange control restriction or requirement of whatsoever nature affecting availability, convertibility, credit or transfers of currencies, financial instruments or funds, any form of debt or other moratorium on jurisdictions, individuals or entities, any devaluation, redenomination or demonetisation of the underlying currencies or financial instruments of any Leveraged FX Contract and/or any form of restriction or requirement which in CGS-CIMB’s good faith opinion adversely alters or changes the rights or obligations which CGS-CIMB in good faith undertook upon entering into such Leveraged FX Contract.

“**Margin**” means collateral and margin including, without limitation, initial margin, additional margin, variation adjustment and interest rate cash adjustment as set out in CGS-CIMB’s Illustration of LFX Margin Call Procedure on page 59 or as may be notified by CGS-CIMB to the Client from time to time.

“**Reverse Contract**” means in relation to any Leveraged FX Contract (the “**underlying Contract**”), a Leveraged FX Contract having the same maturity date as the underlying Contract, which provides for the delivery by one party to the other of the amount of the currency due to be delivered by the second mentioned party to the first mentioned party under the underlying Contract for the purpose of discharging in whole or in part the obligations to deliver the currency under the underlying Contract.

“**this Annex**” means this Leveraged FX Trading Services Annex which governs the provision of the Leveraged FX Services as set out below and as supplemented, modified or amended from time to time.

1.2 Words importing only the singular number includes the plural number and vice versa. Words importing the masculine gender include the feminine and neuter gender and vice versa. References to clauses are references to clauses of these terms and conditions. Headings in this Annex are inserted for ease of reference and shall not affect the interpretation thereof.

2. Effect of Terms of Business; Amendment

2.2 The terms and conditions set out in this Annex shall apply to all Leveraged FX Trading Services provided by CGS-CIMB to the Client in addition to, and supplemental to, the terms and conditions set out in the Terms of Business. To the extent that there is any conflict between the terms in this Annex and the Terms of Business, the terms in this Annex shall prevail.

2.3 The terms and conditions in this Annex are legally binding and take effect when the Client signifies the Client’s receipt of the Terms of Business and this Annex.

2.4 The terms in this Annex may be amended and/or supplemented from time to time, in accordance with the Terms of Business.

3. Appointment, Services

3.1 The Client requests and authorises CGS-CIMB to open an Account or Accounts in the Client’s name as may be necessary for the purposes of providing the Leveraged FX Trading Services.

3.2 In addition to the Leveraged FX Trading Services, CGS-CIMB may also provide the Client with other services in connection with the Leveraged FX Trading Services, the terms of which will be notified to the Client in writing from time to time and, where necessary, CGS-CIMB may require the Client to agree to such terms in writing. Any such additional terms will form part of and be supplemental to the Terms of Business, including this Annex.

3.3 CGS-CIMB may, but is under no obligation to, enter into Leveraged FX Contracts with the Client upon the Client’s specific instructions. The applicable exchange rate under such Leveraged FX Contract shall be as determined by CGS-CIMB at the time the Leveraged FX Contract is entered into.

- 3.4 CGS-CIMB may at any time in its absolute discretion and without giving the Client any reasons therefor, and without incurring any liability on its part, impose limits on the Leveraged FX Contract that the Client may enter into, including limits on the maturity periods of any Leveraged FX Contract and the aggregate amount of Leveraged FX Contracts outstanding at any given time. The Client agrees to be bound by and shall not exceed any such limits imposed by CGS-CIMB. For the avoidance of doubt, the Client shall continue to be liable to CGS-CIMB for any liabilities incurred by the Client over and above the limits set by CGS-CIMB.
- 3.5 In respect of each Leveraged FX Contract, CGS-CIMB may send to the Client a written Confirmation setting out such details of the Leveraged FX Contract as CGS-CIMB may select. In the event of any inconsistency between the provisions of the Terms of Business, this Annex and the provisions of a Confirmation, the Confirmation will prevail for the purposes of the relevant Leveraged FX Contract. CGS-CIMB and the Client agree that each Confirmation will supplement, form part of and be subject to these Terms of Business, such that these Terms of Business and all Confirmations will constitute a single agreement between the parties.
- 3.6 Notwithstanding Clause 5.1 of the Terms of Business, unless otherwise notified by CGS-CIMB to the Client, CGS-CIMB shall be the Client's counterparty in all Leveraged FX Contracts.

4. Margin

- 4.1 The Client shall maintain such Margin (whether in the form of cash, guarantee or other security as may be determined by CGS-CIMB from time to time) in such amounts and at such times as CGS-CIMB may require in respect of the Leveraged FX Trading Services. Unless otherwise agreed, the Client shall be required to provide initial Margin upfront and, thereafter, to provide such further Margin to ensure a proper discharge of the Client's liabilities in respect of Leveraged FX Contracts (whether actual or contingent). The Client agrees that CGS-CIMB may refuse to execute the Client's instructions with respect to any Leveraged FX Contracts unless the Client pays such amount as CGS-CIMB may require in respect of Margin.
- 4.2 Unless otherwise agreed by CGS-CIMB in writing, Margin requirements are normally calculated on all open positions on a gross basis at the end of each trading day and are not interest-bearing.
- 4.3 The Client requests and authorises CGS-CIMB to communicate Margin calls to the Client over the telephone or in writing.
- 4.4 The Client agrees and acknowledges that time is of the essence for the payment of any Margin and must be met by such time as CGS-CIMB may specify. In the event that no time is stipulated by CGS-CIMB when making a demand, the time for payment of Margin shall be deemed to be 4.00pm on the next Business Day.
- 4.5 All deposits and payments in respect of the Margin and for any purpose shall be made in cleared funds and in such currency and such amounts as CGS-CIMB may, at its sole and absolute discretion require. CGS-CIMB may, at its sole and absolute discretion, decide whether or not to accept assets other than cash as Margin. Where securities or other assets are deposited as Margin, CGS-CIMB shall be entitled to assign a notional value to such assets (which may not correspond to any market value) determined by CGS-CIMB at its sole and absolute discretion for the purposes of calculating the Margin requirement, and the Client agrees that CGS-CIMB may, at its sole and absolute discretion, change the notional value from time to time.
- 4.6 All cash denominated in any currency that is held in any of the Client's accounts with CGS-CIMB may be treated by CGS-CIMB as collateral and may be deemed to be deposited as Margin.
- 4.7 The Client agrees and acknowledges that all rights, title and interests in and to any funds, payments, securities and/or assets deposited in respect of the Margin shall become the absolute property of CGS-CIMB free and clear of any security interest, mortgage, lien, claims, charges, encumbrance or other restriction or any equity, right, title or other interest of the Client or any third person (other than a lien routinely imposed on all securities in a relevant clearance system), and CGS-CIMB shall only have a contractual obligation to return equivalent assets of the same type, nominal value, description and amount as the Margin transferred to CGS-CIMB. Without prejudice to any rights or remedies that CGS-CIMB may be entitled to pursuant to the Terms of Business, by law or otherwise, CGS-CIMB may in its sole and absolute discretion, realise, dispose or otherwise deal with such funds, securities and/or assets in any manner as CGS-CIMB may determine.
- 4.8 The Client agrees and acknowledges that CGS-CIMB shall have the right, at its option, to close out all or any of the Client's outstanding Leveraged FX Contracts where Client fails to provide the required Margin by the time prescribed by CGS-CIMB and/or if CGS-CIMB determines that the Client has exceeded any of the prescribed limits, and/or reached or breached any Margin requirements, provided always that nothing in the Terms of Business shall be construed as prejudicing or limiting any lawful claim or lien which CGS-CIMB may have in respect of any money held in any segregated bank account or in respect of any money received for the purchase of Leveraged FX Contracts contemplated by the Terms of Business or from the sale of Leveraged FX Contracts before the money is paid into such segregated bank account. The Client shall fully indemnify and hold harmless the CGS-CIMB Group, and keep the CGS-CIMB Group indemnified, from and against and in respect of all liabilities, losses, damages, claims, demands, charges, costs and expenses (including, without limitation, legal fees and costs on a full indemnity basis) which may be sustained or incurred by CGS-CIMB Group from or in connection with the failure by the Client to meet any Margin call.

- 4.9 CGS-CIMB reserves the right to change the Margin requirements at any time in its sole and absolute discretion. Any such change in Margin requirements shall apply to existing positions as well as to any new positions that may be held by the Client. Upon the Client's written request, CGS-CIMB may, subject to the foregoing and in its sole and absolute discretion, transfer to the Client any deposits, payments or assets that may from time to time be in excess of CGS-CIMB's Margin requirements.
- 4.10 For the avoidance of doubt, any failure by the Client to comply with CGS-CIMB's Margin requirements shall be regarded as an Event of Default under the Terms of Business which shall entitle CGS-CIMB to exercise its rights thereunder including, without limitation, those specified in Clause 9 of the Terms of Business with respect to the closing out of the Leveraged FX Contracts and the use of Margin held in respect thereof. The Client acknowledges and confirms that the receipt or use of Margin by CGS-CIMB shall not operate as a waiver or discharge of CGS-CIMB's rights under, or liens created by, the Terms of Business or otherwise by operation of law.

5. Foreign Currency Transactions

- 5.1 If the Client directs CGS-CIMB to enter into a Leveraged FX Contract and such Leveraged FX Contract is effected in a foreign currency:
- (a) any profit or loss resulting from exchange rate fluctuations of such currency will be at the Client's sole risk;
 - (b) all initial and subsequent deposits for Margin purposes shall, unless CGS-CIMB otherwise stipulates, be made in such Currency (the "**Relevant Currency**") as CGS-CIMB may, in its sole and absolute discretion require; and
 - (c) CGS-CIMB may debit or credit the Client's Account in the Relevant Currency when such Transaction is liquidated, and the rate of exchange of any foreign currency required to be converted to the Relevant Currency shall be determined by CGS-CIMB in its sole and absolute discretion on the basis of the money market rates of exchange prevailing at the time of the debit or the credit.
- 5.2 CGS-CIMB may, at any time in its sole and absolute discretion, convert any amounts in any Account(s) of the Client's or standing to the credit of the Client to any other currency for the purposes of carrying out instructions of the Client or exercising CGS-CIMB's rights under these Terms of Business and this Annex at a rate of exchange determined by CGS-CIMB at its sole and absolute discretion, on the basis of the then prevailing market rates of exchange between such currencies. CGS-CIMB shall not be liable to the Client for any loss suffered by the Client as a result of such conversion. The Client shall pay CGS-CIMB all additional amounts as may be necessary to ensure that CGS-CIMB receives the full amount in the currency to which CGS-CIMB has converted the amounts, as if no such conversion had been required or effected.

6. Undertakings

- (a) **Acknowledgements.** The Client agrees and acknowledges that it is aware that:
- (i) it could lose all the Margin that it may deposit with CGS-CIMB to establish or maintain a position in the foreign exchange market and lose further amounts as described in sub-paragraph (ii) below and in addition be required to pay CGS-CIMB further funds representing losses and other fees on its open and closed positions;
 - (ii) if the currency market moves against its position, it may be required at short notice to deposit with CGS-CIMB further Margin in order to maintain its position. Such additional security may be substantial. If it fails to provide such additional security within the required time, its position may be liquidated at a loss and it will be liable for any shortfall in its account resulting from that liquidation;
 - (iii) under certain conditions, it could become difficult or impossible for it to close out a position;
 - (iv) CGS-CIMB is not responsible for any losses suffered by the Client which arise or result from errors or delays in the transmission of any requests, instructions, notices and other communications from or to the Client;
 - (v) the Client is to bear all losses it incurs in connection with any Leveraged FX Contract or the close out or rollover thereof in accordance with the terms of the Terms of Business, this Annex and any Confirmations;
 - (vi) the Client will make, independently and without reliance on CGS-CIMB, its own judgment and decision in respect of each and every Leveraged FX Contract;
 - (vii) CGS-CIMB as dealers in foreign currency in many foreign exchange markets may through any of its branches and at any time have a long or short position in any currency that may be inconsistent with any advice, opinions or data provided by CGS-CIMB;

- (viii) CGS-CIMB is not liable or responsible for movements in spot or forward rates of exchange or for any advice, opinions or data provided by CGS-CIMB concerning Leveraged FX Contracts, foreign exchange dealings or movements in spot or forward rates of exchange and all other matters, irrespective of whether such advice, opinions or data is given at the request of the Client or is incorrect or negligently given; and
 - (ix) the Client agrees and acknowledges that due to the volatility of the foreign exchange market it may not be practicable for CGS-CIMB to contact the Client prior to its closing out of any Leveraged FX Contract or its exercise of any of its rights under these Terms of Business or this Annex.
- (b) **Default Interest.** The Client agrees to pay such interest at such rate as CGS-CIMB may determine on (i) any amount which is due and payable to CGS-CIMB until the date of receipt of payment by CGS-CIMB and (ii) any shortfall in or Margin howsoever arising, including any shortfall resulting from any increase, variation or introduction by CGS-CIMB of any Margin requirements.
- (c) **Condition Precedent.** Each obligation of CGS-CIMB to make payment or delivery in respect of a Leveraged FX Contract is subject to the condition precedent that no Event of Default or event that, with the giving of notice or the lapse of time or both, would be an Event of Default has occurred and is continuing in respect of the Client.

- (b) Where the Client requests CGS-CIMB to rollover all or part of an Leveraged FX Contract and CGS-CIMB agrees thereto then the parties shall be deemed to have:
 - (i) entered into a Reverse Contract to close out the Leveraged FX Contract (the “**Base Leveraged FX Contract**”) at the market rate applicable at the time of entry into the Reverse Contract as determined by CGS-CIMB ; and
 - (ii) simultaneously, to the extent that the Client has requested and CGS-CIMB has agreed to rollover the Base Leveraged FX Contract, entered into a fresh Leveraged FX Contract under which the Client is liable to deliver the “rolled over” amount in the same currency deliverable by the Client under the Base Leveraged FX Contract in exchange for an amount in the other currency transacted under the Base Leveraged FX Contract, such fresh Leveraged FX Contract to be effective on the maturity date of the Base Leveraged FX Contract, at the rate determined by CGS-CIMB under sub-paragraph (i) above as altered by CGS-CIMB to reflect the later maturity date of the fresh Leveraged FX Contract and prevailing interest rates applicable to the relevant currencies.
- (c) If CGS-CIMB does not agree to rollover all or part of a Leveraged FX Contract, then CGS-CIMB may by entering into a Reverse Contract or Reverse Contracts close out the Leveraged FX Contract (or part thereof). Unless otherwise agreed in writing between the Client and CGS-CIMB , the Leveraged FX Contract (or part thereof) shall be closed out on a first in first out basis. Unless otherwise agreed by CGS-CIMB , if on any date amounts would otherwise be payable:

- (a) in the same currency; and
- (b) in respect of one or more Leveraged FX Contracts,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

9. Taxes

- 9.1 The Client is responsible for all taxes (local or foreign) that may arise in relation to a Leveraged FX Contract, whether under current law or practice or otherwise. CGS-CIMB shall have no responsibility for any of the Client's tax liabilities, or for providing information or advice in respect of such liabilities and shall not be responsible for notifying the Client of a change in tax law or practice.
- 9.2 In the event that CGS-CIMB becomes liable to pay any tax on the Client's behalf arising from or incidental to Leveraged FX Contracts executed by the Client with CGS-CIMB, the Client shall reimburse CGS-CIMB on demand in full for the amount of such tax paid by CGS-CIMB.
- 9.3 Without prejudice to the generality of Clause 15 of the Terms of Business, the Client shall indemnify CGS-CIMB Group and keep CGS-CIMB Group indemnified from and against all costs, claims, demands and expenses arising in connection with (a) any failure by the Client to reimburse CGS-CIMB in accordance with Clause 9.2 of this Annex and (b) any late payment or non-payment of any tax payable by the Client in respect of the Leveraged FX Contracts executed by the Client with CGS-CIMB Group.

Such adjustments or actions may include (without limitation) altering or varying the quantities of currencies or exchange rates or other terms of the Leveraged FX Contract(s), terminating the Leveraged FX Contract(s), or suspending (definitely or otherwise) or terminating the Account(s). Provided that CGS-CIMB undertakes such adjustment or action in good faith, any such adjustment or action shall be binding on the Client and the Client shall be liable for any losses incurred by CGS-CIMB on the Client's account or which the Client is consequently liable to CGS-CIMB for as a result of such adjustment or action.

 - (ii) its sponsoring Clearing Member shall, upon being notified by the Exchange or the Clearing House as the case may be, withhold any profits due or owing to such Member from the transaction that resulted in overtrading, or such monies due or owing to such Member as directed by the Exchange or the Clearing House, and shall not release any such profits or monies until the Disciplinary Committee or the Appeals Committee has completed the hearing in respect of the charge against the Member; and
 - (iii) without prejudice to the foregoing, the Exchange may, in any case of overtrading, direct the Clearing House to withhold any profits due or owing to any Clearing Member from the transaction that resulted in overtrading, or such monies due or owing to such Member, until the Disciplinary Committee or the Appeals Committee has completed the hearing in respect of the charge against the Member;
- (b) if overtrading by a Customer granted Bypass Privileges occurs, the sponsoring Clearing Member shall immediately inform the Exchange and if directed by the Exchange, arrange to terminate the Customer's connectivity to QUEST so as to prevent further trade execution by the Customer; and
- (c) each trade entered into beyond any limits imposed by a sponsoring Clearing Member, the Exchange, the Clearing House or MAS shall be deemed to be a distinct and separate violation of this Rule and shall be punishable as such. If a Member is charged by the Exchange for overtrading, it is not necessary for the Exchange to show that the Member intended to overtrade. The act of overtrading is sufficient to constitute an offence under this Rules.

3.4.11 Knowingly Taking Advantage of an Error Prohibited

A Member, Approved Trader or Registered Representative shall not knowingly take advantage of a situation arising from:

- (a) a breakdown or malfunction in any Exchange Systems; or
- (b) error entries made by the Exchange on QUEST.

3.4.13 Front Running – Priority of Customers’ Orders

A Member, Approved Trader or Registered Representative shall not trade in contracts for its own accounts or for an account associated with or connected to that Member, Approved Trader or Registered Representative, if that Member, Approved Trader or Registered Representative also has in hand Customers’ orders (including discretion orders) to do the same at the prevailing market price or at the same price. This Rule does not apply if:

- (a) that Member, Approved Trader or Registered Representative has no access to the Customer’s order flow information;
- (b) the Customer has prescribed that the order be executed under specified conditions and the order cannot be executed by reason of those conditions; or
- (c) the transaction is entered into in circumstances prescribed by MAS.

“**Customer**” as used in this Rule 3.4.13 does not include the Member’s Approved Traders, Registered Representatives or Persons associated with or connected to the Member, Approved Trader or Registered Representative.

3.4.14 Trading Against Customers’ Orders Prohibited

A Member, Approved Trader or Registered Representative shall not knowingly effect a transaction to buy from or sell to a Customer any contract for:

- (a) an account in which the Member, Approved Trader or Registered Representative has an interest; or
- (b) the account of any Person associated with or connected to the Member, Approved Trader or Registered Representative.

This Rule does not apply if the Member, Approved Trader or Registered Representative has first entered the Customer’s order into QUEST and waited at least 10 seconds before entering an opposite order, or if the Member, Approved Trader or Registered Representative has obtained the Customer’s prior written consent. “Customer” as used in this Rule 3.4.14 does not include the Member’s Approved Traders, Registered Representatives or Persons associated with or connected to the Member, Approved Trader or Registered Representative.

4.1.9 Withholding and Order Withdrawal

A Member, Approved Trader or Registered Representative shall not withhold or withdraw from QUEST any Customer’s order or any part of a Customer’s order for any reason, unless it is for the benefit of the Customer or pursuant to the Customer’s instruction.

4.1.10 Cross Trades

A Member or Approved Trader who knowingly receives buy and sell orders from different Customers at the same time and price, for the same Contract Month of the same Contract, shall first expose the leg which is the better bid or offer than the prevailing bid or offer in QUEST. If there is no prevailing bid or offer, the Member or Approved Trader shall first expose the leg which has the better price than the last traded price, or if there is no last traded price, the last settlement price. This Rule 4.1.10 does not apply if the orders are entered by:

- (a) different Approved Traders on behalf of different Customers; or
- (b) different Customers directly into QUEST and the Member or its Approved Trader does not know or have access to that Customer’s order flow information.

However, if the Exchange suspects that a cross trade was pre-arranged in either one of the above circumstances in contravention of Rule 4.1.13, the onus is on the Member or the Approved Trader to show otherwise.

4.1.13 Pre-arranged Trades Prohibited

A Member or Approved Trader shall not make any purchase or sale which has been pre-arranged except for:

- (a) an exchange of Underlying for Futures Contracts as contemplated in this Rules; or
- (b) a Negotiated Large Trade as contemplated in this Rules.

For the avoidance of doubt, a request for a quote from a designated market maker approved by the Exchange does not constitute a pre-arranged trade.

Section 275 – Offer made to accredited investors and certain other persons

A “**relevant person**” is defined as:

Section 276 – Offer of securities acquired pursuant to section 274 or 275

Where securities have been sold to the Client pursuant to the prospectus exemptions in Section 274 or 275, Section 276 imposes restrictions on the Client’s ability to subsequently on-sell those securities.

Under Section 276, within a period of **six months** from the date of the Client’s initial acquisition of such securities, the Client may only subsequently sell the shares/debentures to institutional investors or to Section 275 Persons. Offers by the Client of the securities to any other persons within this **six-month** period will attract a requirement to register a prospectus.

In addition, no transfer of securities of a Relevant SPV (other than a Relevant SPV which is itself an accredited investor) and the beneficiaries’ rights and interest in a Relevant Trust (other than a Relevant Trust the trustee of which is an accredited investor) may be made within **six months** after such Relevant SPV or Relevant Trust has acquired shares/debentures under Section 275, unless:

- (a) the transfer is made to institutional investors or Section 275 Persons;
- (b) no consideration is given for the transfer; or
- (c) the transfer is by operation of law.
